RESOURCES FOR ADMISSION Related Products and Services

ACT, Inc.

<http://www.act.org/>

ACT, Inc. is an independent, nonprofit organization that provides educational services to students and their parents, to high schools and colleges, and to professional associations and government agencies.

Apply Technology

<http://www.weapply.com>

Apply Technology produces a free CD-ROM with applications to over 500 colleges. The CD is available through the Web site or by calling 800-We-Apply.

Apply Yourself

<http://www.applyyourself.com>

Apply Yourself is a tool for admission professionals to create, publish, and manage their entire application process through the web. It helps schools make it easy for their applicants to apply. It also helps admission offices streamline the time-consuming and tedious processing in the backroom of the admission office.

Cambridge Educational Services, Inc.

<http://www.cambridgereview.com/>

Offer your own ACT/SAT/PSAT/LSAT/GMAT/GED/PPST/NET/TOEFL testprep courses using textbooks, teacher's guides, and disks provided by Cambridge Educational Services.

Campus Tours

<http://www.campustours.com/>

CampusTours is an index of college and university visual materials on the Internet. CampusTours was founded to give students the opportunity to "tour" schools across the United States quickly and easily from their computers. CampusTours links directly to hundreds of on-line tours developed by colleges and universities throughout the United States.

Career Guidance Foundation

<http://www.cgf.org>

Collegesource, the Web site of the Career Guidance Foundation, includes catalogs from 2-year, 4-year and graduate schools. The full catalog text gives you complete descriptions, academic policies, faculty and administration listings. Collegesource provides college profiles, admission requirements, cost information and the unique programs and features of each school.

Carnegie Communications, Inc.

<http://www.collegeexpress.com>

Carnegie Communications publishes *Private Colleges and Universities*, the leading recruitment magazine that reaches more than 1.5 million college-bound students every year. Their Web site, COLLEGEXPRESS, attracts global usership.

The College Guide

<http://www.jayi.com/ACG>

The *College Guide* goes to about 100,000 academically talented 10th graders. The WWW site includes listings and interactive areas centered around college admission. Colleges can choose to receive student information by e-mail.

CollegeLink/ECI, Inc.

<http://www.collegelink.com>

CollegeLink--an award winning computerized college application program. CollegeLink eliminates repetitive paperwork to simplify the college application process. Applications prepared using CollegeLink are welcomed at more than 750 leading colleges and universities.

CollegeView

<http://www.collegeview.com>

CollegeView creates innovative software and on-line information to help students make important decisions. For more information on the complete line of CollegeView products, visit the Web site or call 800-927-VIEW.

Critical Comparisons of American Colleges and Universities

<http://www.memex-press.com/cc>

Critical Comparisons of American Colleges and Universities is an independent college assessment reference. The information is taken from the U.S. Department of Education's IPEDS database, studies conducted by the National Research Council, and crime statistics compiled by colleges and universities in compliance with Federal Law. Schools are listed by name and classification and each critical comparison includes interactive graphs and statistical analyses.

Educaid

<http://www.educaid.com>

Educaid offers higher education loans (FFELP) and assists in the community with free financial aid materials and/or presentations for high school students and parents.

Education International

<http://www.eiworldwide.com>

Education International's Web site, EIWORLDWIDE, is a resource for students who want to "go international" or for counselors, parents and other education professionals who want to learn more about international schools and programs. The site focuses on Australia, Canada, New Zealand, the UK, and the US and has mini-profiles of 600+ Business, Engineering, English and secondary school programs.

Kaplan Educational Centers

<http://www.kaplan.com>

Kaplan is the nation's premier educational company specializing in test preparation, admission, career services and K-12 academic services.

Minneapolis College of Art and Design

<http://www.mcad.edu/>

Minneapolis College of Art and Design offers a BFA Degree and an MFA Degree. As of September 1997, MCAD began offering a BS Degree in Visualization.

NIEP College Preview

<http://www.iep.com>

College Preview brings high school students to college campuses around the country. CP teaches students how to evaluate colleges of differing size, cost and reputation.

NRCCUA

<http://www.nrccua.com>

NRCCUA, a nonprofit membership organization, serves higher education through the Talent Identification Program of college-bound students and the College Choices card deck program.

Peterson's

<http://www.petersons.com>

From college guides, to guidance software to the biggest WWW education resource, Peterson's has been establishing essential information links between students and education for 30 years.

Premier School Agendas

<http://www.agendas.com>

A college-level daily organizer for students. Includes goal setting, time management, study skills, and career preparation. Can be customized with school handbook/activities schedules.

The Princeton Review

<http://www.review.com>

The most efficient, effective and personal six-week test preparation program helping students prepare for the SAT, ACT, PSAT, LSAT, BAR Review, GMAT, GRE, MCA, TOEFL, and USMLE.

School Guide Publications

<http://www.schoolguides.com>

School Guide Publications provides college-bound students with information on undergraduate and graduate degree programs. Editorial content includes listings of programs, a cross reference section on majors, the most current and complete financial aid data on military options.

TestPrep.com

<http://www.testprep.com/index.html>

Web ware for SAT. Free services by Stanford Testing Systems, Inc.

Townsend Outlook Publishing

<http://www.product.com/top/>

For 20 years, Townsend Outlook Publishing has been producing quality recruiting magazines for colleges and universities across the United States and Canada.

Universal Algorithms, Inc.

<http://www.unival.com>

A software company that hosts CollegeNet, a web site that provides information about schools, financial aid and scholarships. CollegeNet allows students to apply electronically to schools.

Wintergreen/Orchard House, Inc.

<http://www.wgoh.com>

Publishers of college admission and career exploration reference books, software, assessments, maps and on-line services for professional school counselors and reference librarians.
